In this billing, we are crediting the interest earned on your Bill Deposit from January to December 2017 and recalculating your required bill deposit.

1. If your actual bill deposit is less than your average monthly bill by more than 10%, the interest will be added to your bill deposit; otherwise, it will be credited to your bill.
2. If your actual bill deposit is more than the average by 10%, the excess over the average and the interest will be credited to your bill; otherwise, only the interest will be credited.
